

Section D - Typical Section through Field 8 Wetland Scrape

GENERAL NOTES
 Do not scale from this drawing.
 Only work to written dimensions.
 Drawing is for planning purposes only not for construction.
 All site dimensions shall be verified by the Contractor on site prior to commencing any work.
 All contractors should ascertain the location of all underground services/utilities before undertaking any work and conflicts resolved.
 It is assumed all work will be carried out by an experienced competent contractor working to an approved method statement.

Section E - Typical Section through Ridge and Furrow Grazing Field

Section F - Typical Section through Spoil Mounds
