

# SAFETY-UK APP

## Your one stop shop for on-site safety

- Access Salus – the Health, Safety and Environmental Reporting and Assessment tool.
- Find your nearest assembly point or defibrillator\* or call the relevant on-site emergency service\*.
- View the latest key safety, health and wellbeing information.
- Consult site safety information and directions or the relevant Load Restraint Guide for transporting our products or the bulk material delivery safety guides.

**PLEASE NOTE**

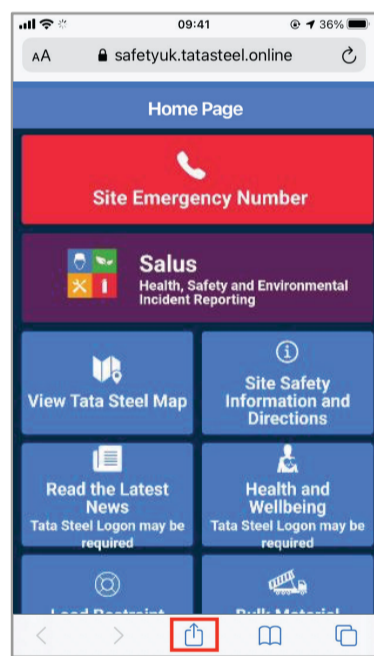

Mobile phones should only be used when it is safe to do so and in an appropriate location in compliance with local rules and arrangements.

\*Please enable location settings so app identifies correct Tata Steel site.
